**...balance the risk of  
an HMRC enquiry**

## What is the fee protection service?

- Your own accountant will defend you should you receive an enquiry from HMRC...professional defence costs are often substantial
- These costs will be covered by your accountants policy
- Includes cover for HMRC visits as well as written enquiries
- Cover for up to £75,000 of fees
- Includes complimentary access to Employment Law and Health & Safety advice lines
- Your accountant deals with any claims via our online claims portal

## How do I join and what does it cost?

Please ask your accountant what the cost would be for you and/or your business.

## What is not covered by the service?

- Routine compliance work, eg, preparing your tax return
- Any tax, interest or penalties due
- Criminal prosecutions and fraud
- Enquiries commenced prior to subscribing to the service

## Why do I need the Taxwise fee protection service?

- Complete peace of mind
- HMRC enquiry activity is at record levels
- HMRC are targeted to increase tax revenues
- Many enquiries are selected completely at random
- Even if your tax return and business records are accurate and the taxman finds no errors accountancy fees can cost thousands
- Anyone that pays tax can come under enquiry
- HMRC have been granted wider powers of enquiry carrying out Business Record Checks, Compliance Visits and Interventions covering all taxes
- No policy excess
- No nonsense policy covering
  - *Dealing with any correspondence from HMRC*
  - *Attendance at any meeting with HMRC*
- Taxwise are the market leaders working with over 2,200 accountancy firms
- Includes access to Employment Law and Health & Safety advice lines
